Peeled  
Cipollini  
Onions  
8 oz. Clamshell

*Perfectly  
Peeled*

**Convenient and  
ready to use!**

*Due to their delicate sweetness, Cipollini onions are a favorite of chefs worldwide. These uniquely shaped miniature onions are incredible for roasting or caramelizing. Roasted whole in the oven or cooked in a little butter on the stove top, cipollinis become soft and practically melt in your mouth. Their inherent residual sugars caramelize and concentrate, leaving behind none of the astringent raw onion flavor.*
